

Beijing, Sept. 25, 1985.

Dear Hanseng:

So you are having a jubilee -- 60 years of fruitful activities! I am very happy to hear of this but regret to say that I cannot attend the festivities on Saturday, Sept. 28th.

Therefore, I am sending you herewith my congratulations and my best wishes for more, many more years of successful work in your chosen field!

In German I would say: "Hoch soll er leben,, hoch soll er leben, dreimal hoch!" "Three times long live," in an abbreviated English version ...

Yours,

Ruth Weiss
