

Harborside, Maine.
September 26, 1956.

Dear Mr. Chen,-

Your letter, written August 10, 1956, reached us
Yesterday (Sept 25). Thank you.

We are glad to know that you are getting on well with
the publication of U.S.A. Today. Please send us a copy when
it comes out.

We are sending to Martin Green a list of names
of people who might be interested in your magazine.
The names are typed on stickers, & ready for ~~mail~~
mailing. You will note that these names are all
names beginning with "A" & "B". Should you want
additional names, we will be glad to send ~~them~~ them.

We are leaving here Oct. 25 & returning in Early May,
1957. We hope to go to a Conference in India via Japan.
We deeply regret that the State Department ban on travel
in China makes it impossible for us to call on
you.

Every good wish for the ~~continued~~ Continued Success
of the magazine.
